The staff at North Kern is excited for the New Year and everything it holds for our golf course. We will be making a better effort to communicate to you the customer our plans and goals as they present themselves.

New Management

We are excited to about Sorensen Bros Inc taking over operations of the course and kitchen. Alan Sorensen will be taking over the duties of head professional, and with the support of the county we have many goals and projects we hope to accomplish.

Of course, one of the best ways to stay in touch is with social media. Like our pages on Facebook, North Kern Golf Course and NK Grill.
