Happy New Year. 2018 is here and we are excited to announce we have released the 2018 Men's Club Calendar for the year, with a few different formats for you to learn and try. North Kern Golf Course will be hosting 6 tournaments, and Buena Vista Golf Course, our sibling course hosting the other 6 tournaments. Men's Club fees are now due, and you can signup and pay before the first tournament this Sunday, Jan 21st. Did you know that your fees get you a lot more than the membership so you can play in our men's club tournaments? Read more to find out why you should join, even if you cannot play many of our events.

Why join the Men's Club

There are a lot of good reasons, but most golfers, or even members do not know all of the reasons, so we wanted to remind everyone.

Men's Club Tournaments

The main reason to join the men's club is the ability to play in our monthly Men's Club tournaments, hosted at Buena Vista Golf Course and North Kern Golf Course. With affordable Green fees, and low tournament entry fees, which include lunch, its a great experience. With good payouts available as course credit, you can get lucky and end up heading home with some new gear... or saving the credit up for that new driver to fix that slice of yours. We have a lot of

fun, and you'll make a lot of friends playing in our Men's Club tournaments... and challenge yourself on 2 courses, with lots of different formats to keep it interesting all year long. Tournaments sometimes include closest to the pin, long drive, skins and other special mini games to spice things up.

\$500 for a HOLE IN ONE

First time only, you can walk away with \$500 for a hole in one. A hole in one is a special thing, and the odds of hitting one are slim, but if you do, you'll be feeling even better with \$500. Especially if all of your friends make you buy a round for being the lucky guy.

USGA/GHIN Handicap Index

A USGA/GHIN Handicap Index is the gold standard for tracking your improvement or competing with other golfers. That's because GHIN is the only Handicap Index that is universally trusted by Southern California golfers for competitive purposes.

SCGA Tournaments

No matter your level of competitiveness, SCGA tournaments are available for you to enter. With your USGA GHIN Handicap and SCGA membership you can sign up for an array of SCGA tournaments. They have one off tournaments, and a fedex cup like league as well. These events are at great courses all over SoCal (some of them normally private courses), with low green fees and entry fees are a great way to test your golf game at the next level, while traveling and seeing some great new courses.

Other Great Benefits

- Access to 50+ private courses through SCGA Member Outings
- Complimentary Subscription to a great quarterly golf Magazine, FORE Magazine.
- Exclusive Member only deals for SoCal's best golf facilities
- Group Golf Vacations (Bandon Dunes, Hawaii, Pinehurst, and more!)
- \$200+ in Savings from SCGA partners including UnderPar, Roger Dunn and GolfTEC!

Call Buena Vista Golf Course for more information, or sign up when you next come out to play.
